

End Customer:	Ericsson Communication
Address:	Japan
Requirements:	Pole Mount Outdoor Enclosure for RAN
Related Products:	Ningbo Spring ERS6345 Outdoor Baseband Enclosure

Project Background

Ericsson is a Swedish multinational networking and telecommunications company headquartered in Stockholm. The company sells infrastructure, software, and services in information and communications technology for telecommunications service providers and enterprises, including among others, 3G, 4G, and 5G equipment, and Internet Protocol (IP) and optical transport systems.

This time, Ericsson needs pole mount outdoor enclosures to be used with the Ericsson Radio System as building block. It shall contain 1pc of RBS6601 and have a capacity of up to 200A for load and battery charging.

Challenges

Ningbo Spring ERS6345 Outdoor Baseband Enclosures is a DC-fed (-48VDC) product for the global market with “high-end” requirements – the initial customer demand is in the Japanese market. This enclosure with the included climate and power system is regarded as an ODM (Original Design Manufacturing) which means that Ningbo Spring is responsible for the entire system.

When delivery products to Ericsson Companies and Authorized Companies, Ningbo Spring shall comply with Ericsson’s requirements with regards to quality assurance as specified in Ericsson Supplier Quality Handbook.

Customer's Feedback

It's been a fantastic experience collaborating with Ningbo Spring. From the initial confirmation of project details to the exceptional after-sales service, Ningbo Spring has consistently provided us with prompt responses and professional products and services. Their team's dedication to customer satisfaction is truly commendable, ensuring that our needs are met efficiently and effectively every step of the way. Ningbo Spring offers competitive price without compromising on quality, making them a valuable partner for your projects.

Overall, working with Ningbo Spring has been a rewarding experience, and we look forward to continuing our partnership for years to come. Their dedication to excellence, competitive pricing, and outstanding delivery performance makes them a trusted partner in our success.
