

22U Network Rack Cabinet, 600x600mm, Glass(F) Metal(R), Gray

Description

22U network rack enclosures stand out as the preferred choice for floor installations, boasting a robust structure capable of supporting static loads of up to 1700 lbs.

Heavy-duty casters are included to ensure easy and flexible movement. Optional adjustable leveling feet are available to enhance stability and fixation. The quick-open side panels enhance installation and maintenance efficiency, facilitating seamless access to your equipment.

Choose from multiple sizes to accommodate varying equipment space requirements, with the option for customization to meet specific needs.

Features

- Both top and bottom cable entries enhance installation flexibility, accommodating various cable configurations.
- Can be shipped disassembled, reducing transportation and storage costs for added efficiency.
- Offers multiple front and rear door styles (optional), providing customization options to suit specific needs.
