

2U Cantilever Rack Shelf

Description

With a 50 lb. weight capacity and three available depths, our 2U cantilever shelf provides support for non-rackmountable equipment in a variety of installation environments, including relay racks, wall cabinets, and full-size network and server cabinets.

- [Application]: Fit with all 19" racks and cabinets to hold IT, network and other equipment.
- [Ventilation]: Vented design to provide the airflow necessary to keep equipment running cool.
- [Heavy Duty]: Made from SPCC cold-rolled steel with maximum loading capacity of 50lbs for equipment.
